*The average retail price of gas will be determined by contacting Empire Gas and Petrolane Gas Company of Enterprise the first of November, December, January, February, and March. The average price charged by these two companies will be the price per gallon used to determine the amount of fuel bonus paid.*

*g) By Friday of the week after chickens are picked up, Grower will be paid compensation due under this Contract. Grower will also be informed in writing of his/her weekly average and his/her standing with other Growers.*
